

In accordance with Georgia Code 32-2-81 the following information is being reported. The Department awarded **five (5) Design-Build contracts** in fiscal year 2019 for a total amount of **\$371,211,220.64**.

**Design-Build Project 2019-1**

Project Name	FY 18 Bridge Replacement - Batch 1
Project Number	PI 0015912
County	Catoosa, Douglas, Elbert, Polk, and Walker Counties
Project Description	This project includes replacement of six local low-volume bridges throughout the state using a Design Build delivery strategy. The bridges in batch 1 are as follows: <ul style="list-style-type: none"> <li>• Houston Valley Road – Catoosa County</li> <li>• Post Road – Douglas County</li> <li>• Ed Webb Road – Elbert County</li> <li>• Mountain Home Loop Road – Polk County</li> <li>• Captain Wood Road – Walker County</li> <li>• Dewey Hogan Road – Walton County</li> </ul>
Awarded Design-Build Team	Wright Brothers Construction Co., Inc. (Contractor) Neel-Schaffer, Inc. (Designer)
Contract Value	\$10,734,400.00
Selection Method	Two Phase Low Bid
Let Date	June 18, 2018
Anticipated Completion Date	July 31, 2021
Explanation if project was <u>not</u> awarded to Proposer with the lowest price proposal	Project was awarded to the Proposer with the lowest price proposal.

**Design-Build Project 2019-2**

Project Name	FY 18 Bridge Replacement - Batch 2
Project Number	PI 0015913
County	Cook, Tattnall, Taylor, and Wilcox Counties
Project Description	This project includes replacement of five local low-volume bridges throughout the state using a Design Build delivery strategy. The bridges in batch 2 are as follows: <ul style="list-style-type: none"> <li>• Fellowship Road – Cook County</li> <li>• Old Union Road – Cook County</li> <li>• Hillview Road – Tattnall County</li> <li>• Hobbs Road – Taylor County</li> <li>• Biar Road – Wilcox County</li> </ul>
Awarded Design-Build Team	Southeastern Site Development, Inc. (contractor) Gresham Smith and Partners (designer)
Contract Value	\$8,075,634.64
Selection Method	Two Phase Low Bid
Let Date	June 18, 2018
Anticipated Completion Date	July 31, 2021
Explanation if project was <u>not</u> awarded to Proposer with the lowest price proposal	Project was awarded to the Proposer with the lowest price proposal.

**Design-Build Project 2019-3**

Project Name	I-16 at I-95 Interchange Reconstruction including I-16 Widening from I-95 to I-515
Project Number	PI 0012757 and 0012758
County	Chatham
Project Description	This project replaces the I-20 bridges over the Savannah River and Augusta Canal and provide additional roadway widening for approximately 1.8 miles. The widening would extend from the Georgia Welcome Center in Richmond County, Georgia to Exit 1, W. Martintown Road in Aiken County, South Carolina. The general layout is one additional general purpose lane in the existing median for a total of three general purpose lanes in each direction within existing right-of-way.
Awarded Design-Build Team	Savannah Mobility Contractors JV (contractor) Jacobs, Inc. (designer)
Contract Value	\$260,520,016.00
Selection Method	Best Value
Let Date	June 15, 2018
Anticipated Completion Date	April 3, 2022
Explanation if project was <u>not</u> awarded to Proposer with the lowest price proposal	Project was awarded to the Proposer with the best value price proposal.

**Design-Build Project 2019-4**

Project Name	I-20 at Savannah River Bridge Replacement
Project Number	PI 210327-
County	Richmond
Project Description	The project includes replacement of existing Interstate 20 bridges over the Savannah River and the Augusta Canal to provide three travel lanes in each direction. All lanes and shoulders will be accomplished in one structure with a median barrier wall down the center. I-20 will be widened to six travel lanes from the Georgia Welcome Center to South Carolina end of the Savannah River Bridge.
Awarded Design-Build Team	Superior Construction Company Southeast, LLC (contractor) WSP Global, Inc. (designer)
Contract Value	\$ 71,938,170.00
Selection Method	Best Value
Let Date	October 19, 2018
Anticipated Completion Date	December 23, 2021
Explanation if project was <u>not</u> awarded to Proposer with the lowest price proposal	Project was awarded to the Proposer with the best value price proposal.

**Design-Build Project 2019-5**

Project Name	SR 135 at Altamaha River Bridge – TIA
Project Number	PI 0007037
County	Jeff Davis and Montgomery
Project Description	The project constructs a replacement bridge for the State Route (SR) 135 over the Altamaha River. The project typical consists of two 12-foot lanes with a 10-foot rural shoulder with 6.5 foot paved along the roadway and 8-foot along the bridge. The approximate project length is 1.05 miles and is located in Jeff Davis and Montgomery County with a design speed of 55 mph.
Awarded Design-Build Team	Scott Bridge Company/ Heath & Lineback Engineers (contractor) Heath & Lineback Engineers (designer)
Contract Value	\$ 19,943,000.00
Selection Method	Two Phase Low Bid
Let Date	May 17, 2019
Anticipated Completion Date	September 20, 2021
Explanation if project was <u>not</u> awarded to Proposer with the lowest price proposal	Project was awarded to the Proposer with the lowest price proposal.
